### PROCEDURE to HOOK-UP the Laptop to the “Classroom” WiFi

1. Click on the wireless icon on the lower right bottom corner of your laptop’s screen as shown below.

2. Look for an SSID that corresponds to “Classroom” (see below pic) and then Click and Connect to it.

3. Key in the password, **Class1903** , and Click the “Next Button” and the laptop should be able to connect to the Wifi Access point.

4. Should you need further assistance, kindly send an email to IT Support @ [support@sprottshaw.com](mailto:support@sprottshaw.com).
